Navigation

Once you have located the game you want to view cards for you will have several areas that you can navigate to which is listed under the main detail of the game. The main detail consists of the following:

Home and Away team, Date and Time, & Match Number.

Underneath this information you will have various areas that you can navigate to.

Field will list the field name and if this is clicked will direct you to a google map of the field.

The Gaming League/tournament the game is associated with. Selecting this will direct you to all flights associated.

Home Roster will direct you to the Roster where you can then view the player cards. (You can only view the player cards for your team. For the other team you only see admins)

Away Roster will direct you to the Roster where you can then view the player cards. (You can only view the player cards for your team. For the other team you only see admins)

Scoring directs you to the scoring area where you can score the game and add cards to team administrators and players. (Scoring is only available is the tournament/gaming is set to allow team coaches to score games.)

Team Captain / Head

1. To mark a player as Active or Inactive click the active checkbox.
2. Click on the admin or player to view their card.

3. Swipe left or right to navigate through cards, or click on the small black arrow to navigate cards.

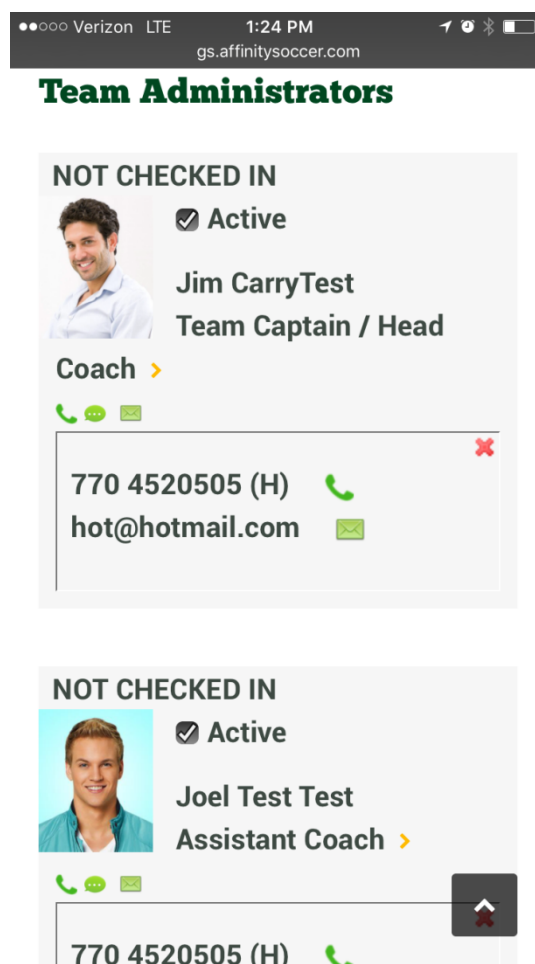

4. To change the number associated with a player click on the area where the number is show in above screenshot. Ex. Click on the 12, it will give you a small box that allows you to change the player's number. Just add new number and select update. If no number is shown you can still click in this area and add a number for the player.

Communication

An available feature within the Digital Player Cards is various communication options such as placing phone calls, emailing and SMS text messaging.

When viewing the team roster **under each photo there are icons for phone, text and email**. Click on this icon to show their contact information. Each piece of information will have an icon to allow you to contact them via the icon shown.

Another feature is to send a team wide text to do this click on the **Text Team** button. This will direct you to a list of everyone on the team where you can check off who you want to send a text message to.

Text Team Members

Only members with cellphone numbers can receive text message and Texting Team works on mobile devices only
